Stefano Horst Baruffaldi

Associate Professor — Polytechnic of Milan, School of Management
Senior Affiliated Researcher — Max Planck Institute for Innovation and Competition

Via Raffaele Lambruschini 4C, 20156 Milano, Italy
stefano.baruffaldi@polimi.it · stefanobaruffaldi.eu · ORCID 0000-0003-4022-7691

Appointments

2022–present Associate Professor, Polytechnic of Milan, School of Management, Milan, Italy.

2019–present Senior Affiliated Researcher, Max Planck Institute for Innovation & Competition, Munich, Germany.

2019–2022 Lecturer (Assistant Professor), University of Bath, School of Management — Strategy & Organisation, Centre for Research in Entrepreneurship and Innovation, Bath, UK.

2018 Visiting Professor, Imperial College London, UK.

2016–2019 Post-doctoral Researcher, Max Planck Institute for Innovation & Competition, Munich, Germany.

2015–2016 Young Economist / Policy Analyst, OECD, Science, Technology and Innovation (STI) Division, Paris, France — project "Innovation for Inclusive Growth".

2010–2015 Research Assistant, École Polytechnique Fédérale de Lausanne (EPFL), Lausanne, Switzerland (advisor: Dominique Foray).

2007 Research Assistant, University of Coimbra, Portugal — FCT project on skilled immigration.

Education

2010–2015 Ph.D. in Economics and Management of Innovation, EPFL, Lausanne.
Thesis: *Three essays on the role of proximity in science and innovation* (advisor: Dominique Foray; committee: M. Feldman, K. Frenken, M. Gruber, C. Tucci).

2011–2012 Swiss Program for Beginning Doctoral Students in Economics, Gerzensee Study Center.

2007–2010 M.Sc. in Management, Economics and Industrial Engineering, Politecnico di Milano.

2004–2007 B.Sc. in Management and Production Engineering, Politecnico di Milano.

Teaching

2022–present **Economia e Organizzazione Aziendale** (Business Economics), B.Sc. Electrical Engineering, Politecnico di Milano — Lecturer.

2024–present **Economics of Innovation and New Technology**, M.Sc. Management Engineering, Politecnico di Milano — Lecturer (co-taught with C. Franzoni).

2026 **Innovation Studies with Data Science**, Ph.D. seminar, Doctoral Programme in Management Engineering, Politecnico di Milano — Lecturer and coordinator (guest lecturers: A. Salter, M. Rose).

2024 **Economics of Science and Technology**, Ph.D. School, Politecnico di Milano — Lecturer and coordinator (guest: A. Salter).

2021–2025 **Intellectual Property** (online), M.Sc. Entrepreneurship and Management, University of Bath — full course development and online tutoring.

2019–2021 **Technology-based Entrepreneurship**, M.Sc. Entrepreneurship and Management, University of Bath — Lecturer (full course).

2019, 2021 **Econometrics**, Ph.D. course, University of Bath — linear regression and causal analysis.

2019–2021 **Entrepreneurship and Innovation**, B.Sc.(Hons) Accounting and Finance, University of Bath — innovation management, new venture finance.

2010–2014 Teaching Assistant, EPFL — Econometrics: Data Analysis & Empirical Methods; Information: Strategy and Economics; Corporate Strategy.

Grants & Awards

2023–2026 ESRC Research Grant (Co-Investigator), "Profiting from science: the development and valuation of AI new ventures and engagement with the science base" (ES/X003949/1; PI: A. Salter).

2018 Best-Paper Award, EPIP Conference.

2016–2017 Swiss National Science Foundation — Early Postdoc Mobility Fellowship (P2ELP1-161847).

2012–2014 CDM Best Teaching Assistant Award, EPFL.

2013–2014 Swiss National Science Foundation Research Grant (100010_149931/1).

Professional Service

2026–2028 Representative at large, Technology and Innovation Management (TIM) Division, Academy of Management.

ongoing Organizer, MInERS seminar series.

ongoing Editorial Review Board: *Organization Science*; *Industry and Innovation*.

Reviewer: Science; PNAS (guest editor); Management Science; Strategic Management Journal; Research Policy; Review of Economics and Statistics; Journal of Economic Growth; Journal of Management Studies; Strategy Science; Industrial and Corporate Change; Small Business Economics; Regional Studies; Scientometrics; Science and Public Policy; Higher Education; and others.

Software & Skills

Open source: sosia — control groups for scientists in Scopus.
Programming & tools: Python; Stata; SQL/MySQL; LaTeX.
